

TAILOR-MADE COURSES

In addition to a pre-scheduled set of courses that are open to individual participants, the TCP Language Centre also organises many tailor-made courses, e.g. at the request of a department. Tailor-made courses can cater for groups of students, groups of staff or individual candidates.

OUR EXPERTISE COVERS SUBJECTS SUCH AS:

- Academic English
- Academic writing, both in Dutch and in English
- Communication skills
- Intercultural communication
- Presentation skills, both in Dutch and in English
- Professional English
- Professional writing (e.g. effective emails, policy documents)

THE SERVICES WE OFFER CAN TAKE MANY FORMS, SUCH AS:

- intensive language course
- short exam preparation training
- workshop
- individual tutoring

HIGHLY EDUCATED PROFESSIONALS OUTSIDE THE UT

The TCP Language Centre is open to requests for language training and intercultural communication programmes from interested parties outside the University of Twente. Please contact the TCP Language Centre about possibilities.

COURSES & WORKSHOPS FOR STAFF

UNIVERSITY OF TWENTE.

TCP LANGUAGE CENTRE

The TCP Language Centre is one of the partners collaborating in the university's Centre for Training & Development (CTD), which offers an overview of all the courses available for staff and PhD-candidates at the University of Twente. Within the CTD the TCP Language Centre is responsible for language courses, and courses that train presentation and writing skills.

LANGUAGE COURSES

The TCP Language Centre offers language courses in English, German and Dutch. The courses range from beginners' level to a very advanced level.

Apart from typical language skills such reading, writing, listening and speaking, also intercultural competences are trained.

DUTCH

For international staff and PhD-candidates a wide range of Dutch language courses is on offer. Have fun and learn more about the Netherlands, its culture and people.

OTHER COURSES

For Dutch native speakers, the TCP Language Centre regularly offers courses on spelling, professional writing, and pronunciation:

- learn how to write friendly e-mails
- see how you can put together project plans that are clear and to the point
- reduce your accent to gain credibility as a speaker of English

CAMBRIDGE COURSES

- intensive training in all language skills: reading, writing, listening, speaking
- 25 interactive classes
- particular focus on vocabulary, idioms and structure (English in Use)
- Cambridge exam preparation
- at three levels: FCE, CAE and CPE
- courses start twice a year, in spring and autumn

Taking part in the Cambridge exam itself is optional.

CAMBRIDGE ENGLISH: FIRST (FCE)

- CEF-level B1>B2
- everyday written and spoken English
- for work and study purposes

CAMBRIDGE ENGLISH: ADVANCED (CAE)

- CEF-level B2>C1
- high-level English skills
- for academic and professional success

CAMBRIDGE ENGLISH : PROFICIENCY(CPE)

- CEF-level C1>C2
- To boost your fluency and confidence
- To function at the highest level of academic and professional life

More information about our courses and about other courses for staff and PhD-candidates can be found on the website of the Centre for Training and Development: www.utwente.nl/ctd

Are you not a member of staff at the University of Twente? That is no problem, since our courses are open to non-UT members. Please contact the TCP Language Centre about possibilities and registration:
