

Electives approval form

To take third year courses (like elective courses) it is mandatory to have completed 90 EC in years 1 and 2.

A. Final Project Bachelor

There is a separate form to lay down details of the 15 EC final project assignment. Timely registration for the final project at the support office is mandatory (mail to Create-finalproject@utwente.nl, or visit office ZI 1018). Note that the final assignment is to be carried out in a fixed 20 weeks period, either in semester 1 or in semester 2. The assignment of a final project is an assignment by an external party.

B. Electives

Regulations regarding electives quoted from the Teaching and Examination Regulations

- c1 (*electives*) At least one unit among the electives deals with ethics and professional standards.
- c2 (*electives*) other units among the electives deal with human-product relationships, from the perspective of behavioural and/or management sciences, except for students who opt for an effort as described under c3 or c4.
- c3 (*electives*) one unit among the electives, with a study load of 5 EC maximum, can be an assistantship in a final project of a fellow student. It must be clear that the student doing the final project defines the work of the assistant, and acts as his or her manager. An examiner appointed by Examination Board is responsible for the assessment of the assistant's work. This option cannot be combined with the option under c4.
- c4 (*electives*) one unit among the electives, with a study load of 5 EC maximum, can be devoted to academic writing. This option cannot be combined with the option under c3.
