

Year 2 programme

2012 - 2013 (course based system)

2014 - 2015 (TOM module based system)

Quartile 1	Course	EC	Course code	Status in 2014 - 2015	Content changed?	What to do?	Quartile?
	Programming with Structures		5 201000194	will disappear	No, extra lectures and examination will be offered for older generation students	Take the extra classes in Q1 next year	Q1
	Introduction to Statistics and Probability		3 191567030	Moved to Module 4	Same content	Enroll in module 4 and take part in this course	Q4
	Systems and Signals NM		3 201200111	Will merge in NM module 5	Content may change	If not possible to redo course in module 5, at least one exam possibility will be offered in Q1	Q1
	Systems and Signals ST		3 191567020	Will merge in ST module 5	Content may change	If not possible to redo course in module 5, at least one exam possibility will be offered in Q1	Q1
	ST part 1 (intro 2 Electronics)		3,5 201300150	Will merge in ST module 5	Content has changed	Contact module coordinator (Erik Faber)	Q1
	NM part 1 (sound engineering)		3,5 201200113	Will merge in NM module 5	Content has changed	Contact module coordinator (Job Zwiers)	Q1
	Portfolio (one course in all quartiles, 2EC in total)		0,5 201200114	Will be splitted in 4 and become part of modules		Ask study advisor and tutor on how to finish this course	
	Creative Exploration of Art Science and Technology (one course in all quartiles, 2EC in total)		201000196	will disappear and merge into ST/NM module 5		Since it is individual project you can still finish it; alternatively, take the project of Module 5 NM or ST	Q1
Quartile 2	Course	EC	Course code	Status in 2014 - 2015	Content changed?	What to do?	Quartile?
	Ambient Screens		5 201200105	Will be part of Module 6	no change	Enroll in module 6 and take part in the project	Q2
	Research Methodology		2 201200110	Will be part of Module 6	no change	Enroll in module 6 and take part in the project	Q2
	Strategies and Protocols		3 201000084	Will disappear		At least one resit option will be offered in Q2	Q2
	Queues and Logistics		3 201000085	Will disappear		At least one resit option will be offered in Q2	Q2
	ST part 2 (Sensors)		4,5 201300150	Will merge in ST module 5	Content has changed	Contact module coordinator (Erik Faber)	Q1
	NM part 2 (Graphics)		4,5 201200113	Will merge in NM module 5	Content has changed	Contact module coordinator (Job Zwiers)	Q1
	Portfolio (one course in all quartiles, 2EC in total)		0,5 201200114	Will be splitted in 4 and become part of modules		Ask study advisor and tutor on how to finish this course	
	Creative Exploration of Art Science and Technology (one course in all quartiles, 2EC in total)		201000196	will disappear and merge into ST/NM module 5		Since it is individual project you can still finish it; alternatively, take the project of Module 5 NM or ST	Q1
Quartile 3	Course	EC	Course code	Status in 2014 - 2015	Content changed?	What to do?	Quartile?
	Web Services and Data Driven Appl.		4 201200109	Will be part of Module 8	Uncertain	Not yet known	Q4
	Innovation and Entrepreneurship		3 201300099	Will be part of Module 7	Uncertain	Not yet known	Q3
	Animated Narration		3 201200107	Will be part of Module 8	Uncertain	Not yet known	Q4
	ST part 3 (Communication systems)		3,5 201300150	Telecom part will merge in ST module 5; Protocol part will be part of Module 8	Content has changed	Contact module coordinator (Erik Faber)	Q1
	NM part 3 (Game Development)		3,5 201200113	Will merge in NM module 5	Content has changed	Contact module coordinator (Job Zwiers)	Q1
	Portfolio (one course in all quartiles, 2EC in total)		0,5 201200114	Will be splitted in 4 and become part of modules		Ask study advisor and tutor on how to finish this course	
	Creative Exploration of Art Science and Technology (one course in all quartiles, 2EC in total)		1 201000196	will disappear and merge into ST/NM module 5		Since it is individual project you can still finish it; alternatively, take the project of Module 5 NM or ST	Q1
Quartile 4	Course	EC	Course code	Status in 2014 - 2015	Content changed?	What to do?	Quartile?
	Hybrid Worlds		5 201200106	Will be part of Module 8	Uncertain	Not yet known	Q4
	Startrix for CreaTe		5 201200108	Will be part of Module 7	Uncertain	Not yet known	Q3
	ST part 4 (Control Systems)		3,5 201300150	Will merge in ST module 5	Content has changed	Contact module coordinator (Erik Faber)	Q1
	NM part 4 (Data Visualisation)		3,5 201200113	Will merge in NM module 5	Content has changed	Contact module coordinator (Job Zwiers)	Q1
	Portfolio (one course in all quartiles, 2EC in total)		0,5 201200114	Will be splitted in 4 and become part of modules		Ask study advisor and tutor on how to finish this course	
	Creative Exploration of Art Science and Technology (one course in all quartiles, 2EC in total)		1 201000196	will disappear and merge into ST/NM module 5		Since it is individual project you can still finish it; alternatively, take the project of Module 5 NM or ST	Q1
