

## **CELEBRATE LIFE**

In 2050 I hope to meet the preparations for my 75<sup>th</sup> birthday. A party to celebrate life and to be thankful for the people around me. To be proud of my own resilience. A party together with my loved ones, boyfriend, son, and maybe his children. I hope that those children live in freedom. Can be themselves. That the world is a bit kinder and open to others. When I look back on my working life...
