The context in which the UT’s grading table is offered is subject to the following factors:

- The institutional culture.
- How many student (in %) have received a specific grade.
- A distribution of grades for this specific study period and reference group.
- A matching of grades between both institutions.
- Each study program has its own grading table and this is included in the Diploma Supplement.

STUDY PROGRAMME:

MASTER
COHORT 2019 AND 2020
PUBLIC ADMINISTRATION
