If the foreign nationals document of a minor child needs to be replaced or renewed, or if it is damaged, then you can complete this form on his/her behalf. Where reference is made in the form to 'you' or 'the applicant' then this refers to the child. Complete a separate form for each child. Answer all the questions on behalf of the child. If the child is 12 years old or older, then he/she can sign the form him/herself. If the child is younger than 12 years old, then the section '6: Previous history' does not require completing.

How do you submit this application?

Send the form to the Immigration and Naturalisation Service (IND). Use the return envelope provided with this form. However, if you downloaded the form from the website www.ind.nl, then you will need to provide your own envelope. Only submit the application once this form is fully completed and signed, therefore not in parts. Send all the required documents together with your application.

If you are requesting the replacement of your foreign nationals document, then you should send your application as soon as possible to the Immigration and Naturalisation Service (IND). If you are requesting renewal of the foreign nationals document, then you should send your application to the Immigration and Naturalisation Service (IND) at least 8 weeks before the date on which the foreign nationals document expires. Assessment of the application and making the foreign nationals document takes several weeks to complete.

You are obliged to have a valid foreign nationals document with you at all times in the Netherlands. If the police ask to see your foreign nationals document, then you must be able to show it to them. If you are unable to do so, then you may incur a fine. If you do not have a valid foreign nationals document, then you may incur problems at your work or in relation to benefit payments.

Application costs (charges)

There may be costs attached to applications for replacement or renewal. There is no information relating to these costs or the possible exemption from administrative charges included in this form. If you would like to

know more about these costs before submitting a form, details of this can be found on the website www.ind.nl.

Biometric details (fingerprints and passport photo) and signature

You need to allow your fingerprints to be taken and also a passport photo for the purpose of establishing your identity. The biometric details are also needed for making a residence document. In addition, your signature is also needed. Fingerprints are made of applicants of 6 years old and older. Every applicant from 12 years old and older is required to provide his/her own signature.

Please note! You are required to go to an Immigration and Naturalisation Service (IND) desk so that a passport photo and fingerprints can be taken and for you to sign the document. You must do this within 2 weeks after sending in your application to the Immigration and Naturalisation Service (IND). You do not need to make an appointment for this. If the Immigration and Naturalisation Service (IND) does not have the fingerprints, passport photo and signature of the applicant, then a residence document cannot be made or issued. Therefore it is important that you go to an Immigration and Naturalisation Service (IND) desk. The Immigration and Naturalisation Service (IND) has desks in Zwolle, Utrecht, Rijswijk, Rotterdam, Eindhoven, Den Bosch, Amsterdam and Hoofddorp. You can find the addresses and opening times of the Immigration and Naturalisation Service (IND) desks on the website www.ind.nl.

Citizens of the EU, EEA and Switzerland

If you a citizen of the EU, EEA or Switzerland then your fingerprints will not be taken and these will not appear on your residence document. However, your residence document will include your passport photo and signature. You can use the photo card appendix for this purpose. The appendix includes instructions for use.

You can also choose to go to an Immigration and Naturalisation Service (IND) desk to make a passport photo and to place your signature. You do

not need to make an appointment for this. You can find the addresses and opening times of the Immigration and Naturalisation Service (IND) desks on the website www.ind.nl.

What happens with your application?

If your application is incomplete then it cannot be properly assessed. Submitting an incomplete application leads to delays in its processing. According to the law, the Immigration and Naturalisation Service (IND) may in principle take 6 months to make a decision. Once the Immigration and Naturalisation Service (IND) has received your application, you will be sent a receipt of the application. You will be sent written confirmation when your application has been settled. If your application is granted, then you will be sent a letter containing information about how and where you can collect your residence document.

Personal Data Protection Act

The Immigration and Naturalisation Service (IND) is obliged under the Personal Data Protection Act to inform you that the Immigration and Naturalisation Service (IND) is the organisation that processes the details of your request or application. The Immigration and Naturalisation Service (IND) does this in order to be able to handle your request or application. If you have any questions about the processing of these details, you can put these in writing and send your letter to the Immigration and Naturalisation Service (IND), PO Box 287, 7600 AG Almelo. You can also request a summary of the details about you that have been processed from the same address. Appendix

Fingerprints, passport photo and signature

In order to be able to make a residence document, the Immigration and Naturalisation Service (IND) need the fingerprints, passport photo and signature of the foreign national. How can the foreign national submit these?

This can be done while still abroad, by means of the Entry and Residence procedure

- The sponsor (in the Netherlands) will have submitted the application for Regular Provisional Residence Permit for the foreign national (who is still abroad).
 - If a positive decision is given, then the foreign national can collect the Regular Provisional Residence Permit from the Dutch Embassy or Consulate in his/her country of origin or long-term residence. When collecting the Regular Provisional Residence Permit, the foreign national must take a new (and not previously used) passport photo with him/her. This passport photo must comply with the requirements which also apply for Dutch passports. The Embassy can inform the foreign national where he/she is able to have passport photos made locally, which comply with the relevant requirements. A photo that does not comply with the requirements will cause unnecessary delay.
 - The employee at the Dutch Embassy or the Consulate will take fingerprints and the foreign national will also be required to sign the document.
- The foreign national has submitted the Regular Provisional Residence Permit to the Dutch Embassy or the Consulate in the country of origin or long-term residence.
 - When submitting the application, the foreign national must take a new (and not previously used) passport photo with him/her. The employee at the Dutch Embassy or the Consulate will also take the fingerprints and the foreign national will be required to sign the document.

- If an application is submitted in the Netherlands by a (recognised) sponsor for a foreign national who does not require a Regular Provisional Residence Permit, then the foreign national must go to an Immigration and Naturalisation Service (IND) counter immediately after arrival in the Netherlands. The Immigration and Naturalisation Service (IND) employee will make fingerprints and a passport photo and the foreign national will be required to sign the document. No appointment needs to be made for this. The addresses and opening hours of the Immigration and Naturalisation Service (IND) counters can be found on the website www.ind.nl

Applying for a first residence permit in the Netherlands or changing the purpose of residence

- The foreign national or sponsor submits the application in writing (and sends the application by post to the Immigration and Naturalisation Service (IND)). The foreign national must then go to the Immigration and Naturalisation Service (IND) counter within 2 weeks in order to have his/her fingerprints and passport photo taken. No appointment is necessary for this purpose. The addresses and opening hours of the Immigration and Naturalisation Service (IND) counters can be found on the website www.ind.nl.
- The foreign national must submit the application immediately at the counter. A passport photo and the fingerprints will be taken at the counter. The foreign national will also be required to sign the document. Submitting an application to an Immigration and Naturalisation Service (IND) counter is by appointment only. Please enclose the completed and signed declaration with your application. *Please note! Explanation A company's profits for the closed financial year or the current financial year are calculated by deducting the total operating expenses from the total operating income. The income and the expenses must be calculated according to generally accepted commercial standards. With respect to this, the following is noted. If there is no closed financial year, the calculation of the monthly profits

must be based on permanence. This means that both the operating income and the operating expenses must be attributable to the relevant period. If the company has the form of a private partnership, general partnership or limited partnership, the profits will then be divided among the partners or associates.
