

Country exemption list of the University of Twente

During your application, you will be asked to provide us with the [diploma, transcript of records or a diploma supplement](#) (in the original language, and an original translation in English/Dutch). If on one of these documents, it is clearly stated that the education was physically attended, and the language of instruction was entirely taught in English, the University of Twente will assess your application and determine if you will be exempted from providing us with an additional English language test report.

Please be aware, that in case you are not exempted, make sure you have obtained a valid English test result before the [application deadline](#). If your application is accompanied by a language test score report with a test date after our [application deadline](#), we will not be able to process it.
