Login to Hora Finita

Hora Finita is the registration system for PhD students at the University of Twente. All processes relating to your PhD, from enrollment to thesis submission, are managed by this system. This is in accordance with the PhD regulations of the University.

It is of utmost importance that data is entered into Hora Finita in a timely manner and that this data is complete. The PhD student, supervisor(s), Graduate Schools and Doctorate Board each have their own role here.

Once you have logged in, you will find manuals for PhD students and supervisors under ‘Manual’ (at the top right of each page).

If you have any questions please address these to the contact person at your own Graduate School. You will find their contact details at the bottom of each page once you have logged on.

Introduction

This manual provides you with relevant information and explains the actions which you will do in Hora Finita. Please note that the diploma validation will be handled on the system: the PhD candidate will upload the necessary files, the Admissions Office will take action and will upload the resulting diploma validation letter into Hora Finita. Therefore, since your involvement is not needed in this procedure, this manual does not provide information on that.

In Hora Finita, you will receive emails asking you to perform actions. The only exception is logging into the system to send reminders to committee members who did not send their evaluations before the deadline.

Before explaining which are the relevant emails and actions which you have to perform, familiarize yourself with your Dashboard by logging into Hora Finita using your email address: https://horafinita.utwente.nl/

There are 2 important features for you on the Dashboard a) the standard search box (1) and b) the ‘Advanced search’ option (2) at the left. The ‘Advanced search’ allows you to construct, store and apply filters. At the moment, no filters have been specifically designed for the secretaries of the Deans. If you feel the need to have one built for you, please get in contact with Joost Oude Heuvel (j.a.oudeheuvel@utwente.nl) at the TGS office.

Next, you will find information about 6 steps in the process which are relevant to you. Note that your action is only required in 3 out of these 8 steps. The two steps which require your action are highlighted in yellow.

Relevant information and actions needed

3. Proposal for graduation committee request (this is only for your information)

The supervisor is asked to make the committee composition proposal if this has not been already made.

Dear prof. dr. Wieringa,

If you have not done so already, kindly proceed to make a proposal for a graduation committee in consultation with the Dean of the faculty for the following PhD project:

Promovendus:
Alsaqaf, W.H.A. MSc (Wasing) - 78618719

Title of the manuscript:

Supervisor(s):

name | e-mail
---|---
prof. dr. R.J. Wieringa | rwieringa@utwente.nl

Co-supervisor(s):

co-supervisors have not (yet) been registered

We kindly request you to make a proposal for a graduation committee in consultation with the Dean of the faculty. The graduation committee consists of ten members at most, i.e. the chairman, the secretary, the supervisor(s), the possible co-supervisor(s) and/or referees (also see article 24 of the doctoral regulations). Besides the chairman and secretary, the graduation committee should consist of at least four professors (including yourself).

Please take note of these two important issues:

1. Take special care when filling in the email addresses of non UT committee members.
2. Check the names of supervisors and co-supervisors listed above and contact hora.finita@utwente.nl immediately if this information is incorrect. Please report this before you fill in the committee member names and request the Dean’s approval.
3. Don’t fill in the names of co-supervisors as these are not required to submit a formal assessment.
4. If you include an expert from industry, you need to send a CV showing whether the person has a PhD degree and showing the list of publications. Email this CV to the Dean’s secretary and to hora.finita@utwente.nl.
5. Because of the arrangements in connection with digital defence attendance, it is very important that you include the mobile number of committee members inHora Finita.

The official appointment of the graduation committee by the Doctorate Board should take place no later than three and a half months before the day of the doctoral defense.

Please submit your proposal here, make sure to read the attached instructions on the .zip file, because there are detailed instructions in it.

Please refer to the attached zip file(s) for step-by-step instructions on how to carry out the requested actions in Hora Finita.

- Log in to Hora Finita using this URL: https://horafinita.utwente.nl/
- Write the surname of the PhD candidate in the “PhD STUDENT” search box (1) and hit “ENTER”.

- Go to the “ASSESSMENT” tab (3).
- Check the “ASSESSMENT COMMITTEE” table (4) to identify who hasn’t submitted the evaluation.
- Go to the “REMIND MEMBERS OF THE ASSESSMENT COMMITTEE” section (5).
Click on the "SEND EMAIL" button (5). Note that if you want to avoid asking graduation committee members to submit evaluations during holidays, you can change the deadline yourself.
8. Final evaluation committee members **(REQUIRES YOUR ACTION)**.

You receive an email saying that all evaluations are in. You make a check to determine if you need to a) contact the Dean and supervisor or b) simply trigger the next email going to the PhD candidate.

- Check the assessments (1).
- Go to “YOUR ASSESSMENT” and set the assessment (2) to ‘approved’ if all committee members gave positive evaluations. If there are more than 2 rejections, you have to ‘rejected’ it. However, if there is 1 rejection, you should get in contact with the Dean and the supervisor to find out whether their final decision is to set the assessment to approved or rejected.
- Click “SUBMIT” (3).

If you reject the assessment, go to the section ‘If you rejected the Assessment round’ on page 14.

After the assessments are approved, continue with the following:

Next, the names of the graduation committee need to be copied to another table in Hora Finita.
- Log in to Hora Finita with your m-number (www.horafinita.utwente.nl)
- Write the surname of the PhD student under the "PhD STUDENT" search box (4) and hit "ENTER".
- Click on the PhD student’s name (5).

- Go to the “PhD EXAMINING COMMITTEE” tab.
- On the “APPROVED PhD EXAMINING COMMITTEE” section, open the “COPY FROM” (7) pull down menu and select “ASSESSMENT COMMITTEE” (8).
  Manually add the chairman’s name at the bottom of that list. If the Dean will not attend, list the name of the replacement chairman.
- Tick the box “CHAIR” (9).
- Click the “SAVE” button (10).
9. Notice about Cum Laude Recommendations [REQUIRES YOUR ACTION].

You receive an email about Cum Laude recommendation issued by one or more graduation committee members. Please get in contact with the supervisor and inform him/her about this.

Appendix 1: If you rejected the Assessment round (after step 7)

If you reject the assessment round, the supervisor receives an email and is asked to get in contact with the Dean. The supervisor will have to contact the PhD candidate because an improved manuscript will have to be uploaded. After the PhD uploads the new manuscript, you will log in to Hora Finita, go to the ‘Assessments’ tab and will click on ‘Create New Evaluation Round’. Next, you will trigger an email to the committee members asking them to evaluate the new draft by clicking the ‘Uitnodiging tot beoordeling naar beoordelingscommissie’.
