Degree programmes may impose additional BSA requirements which must be included in the programme-specific part of the Teaching and Examination Regulations and which make abundantly clear in what other cases a positive recommendation on continuation of studies may be issued.
- 8) Only the credits from study units in the first year of the programme count toward the threshold for the final recommendation on continuation of studies.
- 9) If a student submits a request for unenrolment prior to 1 February of the first year of enrolment, then no final recommendation on continuation of studies will be issued as referred to in Article 6.3, paragraph 1. If this student re-enrols in a subsequent academic year, then a final recommendation on continuation of studies will be issued at the end of that subsequent academic year.
- 10) If a student transfers to another UT degree programme prior to 1 October, then the norm will not be adjusted as referred to in Article 6.3, paragraph 7. In all other cases, the provisions apply as referred to in Article 6.3, paragraph 7.
- 11) A postponed final recommendation on continuation of studies will apply to a student who transfers to another programme on or after 1 October. The final recommendation on continuation of studies will be issued no later than the end of the student's second year of enrolment.
- 12) Prior to receiving a BSA, students have the right to a hearing with the Programme Board (Higher Education and Research Act art. 7.8b, paragraph 4).
- 13) When considering a BSA involving expulsion, the Programme Board will take the student's personal circumstances into account at the student's request. The Programme Board will only take personal circumstances into account that have been reported to the Study Advisor as soon as can reasonably be expected following their onset.
- 14) Personal circumstances include illness, physical, sensory or other functional disability or pregnancy of the student involved, extenuating family circumstances, participation in elite sports and membership on the University Council, Faculty Council, Programme Committee or a Category 3 board in accordance with the FOBOS Regulations.
- 15) In consultation with the Study Advisor, the personal circumstances are to be reported to the Personal Circumstances Committee (CPO) and accompanied by supporting documentation.
- 16) The CPO will assess the validity and severity of the personal circumstances and report its findings to the Programme Board and the relevant Study Advisor.
- 17) The Programme Board will take the CPO's findings into account when assessing the student's request as referred to in Article 6.3, paragraph 13.

- 18) If personal circumstances preclude an assessment of a student's academic capacities, a postponed final recommendation on continuation of studies will apply that will be issued no later than the end of the student's second year of enrolment.
- 19) The Programme Board's decision regarding the BSA will make mention of the applicable appeals procedure.

Article 6.4 - RECOMMENDATION ON CONTINUATION OF STUDIES: MULTIPLE DEGREE PROGRAMMES

If a student is enrolled in multiple degree programmes and meets the BSA threshold for one of the programmes, then the student will not be required to meet the threshold for the other programmes.

SECTION 7 - STUDYING WITH A FUNCTIONAL IMPAIRMENT

Article 7.1 - STUDYING WITH A FUNCTIONAL IMPAIRMENT

- 1) A functional impairment is a physical, sensory or other functional disorder that might limit the student's academic progress.
- 2) The Study Advisor and the student will discuss the most effective facilities for the student as referred to in Article 2 of the Equal Treatment of Disabled and Chronically Ill People Act (WGB h/cz).
- 3) Facilities are to be aimed at removing specific barriers in the teaching programme or when it comes to taking exams. Where necessary, these facilities may be related to access to infrastructure (buildings, classrooms and furnishings) and study materials, adjustments to the form of assessment, alternative learning pathways or a customized study plan. The facilities are to ensure the student's chances of achieving the final attainment targets.
- 4) Based on the interview referred to in paragraph 2, the student is to submit a request for facilities to the Dean, preferably three months before the student is to participate in classes, exams and practical exercises for which the facilities are required.
- 5) The request is to be submitted along with supporting documentation that is reasonably necessary for assessing the request (such as a letter from a doctor or psychologist registered in the BIG register, or in the case of dyslexia from a healthcare psychologist or special education needs expert, also registered in the BIG register).
- 6) The faculty Dean will decide on the admissibility of the request as referred to in paragraph 4 and will inform the student and the Study Advisor of the decision within 20 working days after receipt of the request, or sooner as the urgency of the request dictates.
- 7) The Study Advisor will ensure that the relevant parties are informed in good time about the facilities granted to a student with a functional impairment.
- 8) Should the faculty Dean reject the request in full or in part, the Dean is to inform the student of the justification for the rejection and the possibilities for lodging an objection and an appeal. A written objection must be submitted in writing within six weeks after the decision has been communicated to the student. The objection is to be submitted to the objections, appeals and complaints office via the Student Services desk.
- 9) Should extra facilities be granted, the period of validity will also be indicated. The applicant and the Study Advisor will evaluate the facilities before the end of this period. During this evaluation, parties will discuss the effectiveness of the facilities provided and whether they should be continued.
- 10) If a student is dyslexic, he will be granted a maximum of 15 extra minutes for each hour that a test or exam is officially scheduled.

SECTION 8 - AMENDMENTS, TRANSITIONAL ARRANGEMENTS, APPEALS AND OBJECTIONS

Article 8.1 - CONFLICTS WITH THE REGULATIONS

If other additional regulations and/or provisions pertaining to education and/or examinations conflict with these Teaching and Examination Regulations, the provisions in these Teaching and Examination Regulations will prevail.

Article 8.2 - ADMINISTRATIVE ERRORS

If, following the publication of an exam result, a marks sheet, or an student's progress report, an alleged error is discovered, the discoverer, be it the university or the student, is required to make this known to the other party immediately upon finding the error and to cooperate with rectification of the error.

Article 8.3 - AMENDMENTS TO THE REGULATIONS

- 1) Amendments to these Teaching and Examination Regulations are enacted by the Dean in a separate decree.
- 2) In principle, amendments to these regulations do not apply to the current academic year. Amendments to these regulations may apply to the current academic year if the interests of the student are not prejudiced within reasonable bounds, or in situations of force majeure.
- 3) Amendments to these regulations have no effect on earlier decisions by the Examination Board.

Article 8.4 - TRANSITIONAL ARRANGEMENT

- 1) In the case of amendment of these Teaching and Examination Regulations, the Dean is to enact a transitional arrangement as necessary.
- 2) The transitional arrangement is to be published on the degree programme's website.
- 3) General principles for the transitional arrangement in the case of changes to the curriculum:
 - a) Changes to the curriculum are to be announced prior to the academic year in which the changes take effect.
 - b) No guarantee can be made that all programme study units that were part of the curriculum when a student enrolled in a programme will continue to be part of the curriculum. The final Bachelor's degree assessment is to be based on the curriculum most recently adopted by the Dean.
- 4) The transitional arrangement will always include:
 - a) the study units that are equivalent to study units or components of study units from the current curriculum as indicated in the programme-specific annex; an indication that if a teaching unit that does not involve a practical is dropped from a programme, then students are to have at least two opportunities in the following year to take a written or oral exam or to undergo another form of assessment.
 - b) an indication that if a study unit with practical exercises is dropped from the programme and there is no opportunity in the subsequent academic year

to complete the practical exercise, then at least one study unit will be designated that may be completed as a substitute for the study unit that has been dropped;

- c) the period of validity of the transitional arrangement.
- 5) The transitional arrangement must be approved by the Examination Board with regard to the provisions of paragraph 4.
- 6) In exceptional cases and to the student's benefit, the Examination Board may deviate from the prescribed number of opportunities to sit exams related to study units that have been dropped from the curriculum.

Article 8.5 - ASSESSMENT OF THE TEACHING AND EXAMINATION REGULATIONS

- 1) The Dean is responsible for the regular assessment of the Teaching and Examination Regulations and is to take into account the time involved for the student for the purposes of monitoring and adjusting the study load, if necessary.
- 2) In accordance with article 9.18 of the Higher Education and Research Act, the Programme Committee is responsible for issuing a recommendation on the Teaching and Examination Regulations as well as the annual assessment of the manner in which the Teaching and Examination Regulations are implemented.

Article 8.6 - APPEALS AND OBJECTIONS

An objection against a decision by the Examination Board or by an examiner or an appeal against a decision by the Dean based on these Regulations must be submitted in writing within six weeks after the decision has been communicated to the student. The objection is to be submitted to the objections, appeals and complaints office via the Student Services desk.

Article 8.7 - HARDSHIP CLAUSE

The Examination Board or the Programme Board may allow derogation from the provisions of these Regulations in the event of demonstrably compelling unreasonableness or unfairness.

Article 8.8 - PUBLICATION
