Abstract

This note* provides instructions for the preparation and submission of the final versions of the accepted papers for the 38th WIC[†] Symposium on Information Theory in the Benelux (SITB), and 7th joint WIC/IEEE SP Symposium on Information Theory and Signal Processing in the Benelux to be held in Enschede, the Netherlands, May 31–June 1, 2018 (see <http://www.utwente.nl/sitb2018>).

1 Format

The paper format and style must be in accordance with the present document. You can use this L^AT_EX file to generate your camera-ready paper. The format and style specifications are:

- ◇ A4-size, one column, text width 155mm, text height 235mm, top and side margins 27mm;
- ◇ A serif font such as the standard L^AT_EX font or “Times” and a font size of 12pt;
- ◇ Page numbers should be included, centered at the bottom of each page
- ◇ References like [1] and (sub)sections should be numbered like in this sample.

Camera-ready papers that do not meet these specifications will not be accepted. In case you have any question regarding the paper submission or the symposium itself, please contact the organizers at j.goseling@utwente.nl.

2 Submission

The camera-ready paper should be submitted through the symposium website by **May 14, 2018**.

2.1 Name of the File

Please name your PDF file using the submission number that was included in your confirmation/acceptance email.
