

JÖNKÖPING UNIVERSITY

Greetings from Jönköping University, Sweden!

The [application on-line to JU's Summer School](#) is now open! Application deadline **April 1**.

Jönköping University offers a summer school at the undergraduate level in **Purchasing Logistics with a Global Perspective** equivalent to **10 ECTS credits**.

Your students will have the opportunity to obtain credits and participate in social and cultural activities to discover and learn about Sweden and the Swedish culture. In addition students will participate in company visits to some of the international well known Swedish companies such as **IKEA and Husqvarna** They will benefit from a term abroad during their summer break with the possibility to gain valuable international experience.

**The dates are:**

**June 2-3, 2018:** Arrival dates and pick-up service

**June 4 to June 29, 2018 (4 weeks):** The programme takes place

Please find enclosed detailed information about the summer school. *Please forward this message to your colleagues who can find it of interest to their students. We kindly ask you to publish it as well to potential interested students.* Students may apply directly to the summer school on-line at [www.ju.se/summerschool](http://www.ju.se/summerschool)

The complete course syllabuses and more information is at [www.ju.se/summerschool](http://www.ju.se/summerschool)

Please do not hesitate to contact us if you need further details.
