4 INVEST WEEKS TRAVELING AROUND MEXICO

from July 2nd to July 27th

i Summer Mx is a program designed for international students who are lovers of traveling and learning about new cultures.

Discover four of the most iconic states in Mexico, visit the capital Mexico-City, enjoy the colonial city of Queretaro, go to the amazing Guadalajara, walk through historic places at Puebla and make everlasting memories in beautiful places like Puerto Vallarta and San Miguel de Allende.

During your stay in Mexico, you will have the opportunity to live four weeks in four different campuses. This will give you the chance to learn about different parts of the country without interrupting your studies. Each campus has special activities, and several trips that will make your experience unforgettable!
