# 4 WEEKS TRAVELING AROUND MEXICO

from July 2nd to July 27th

**i Summer Mx** is a program designed for international students who are lovers of traveling and learning about new cultures.

Discover four of the most iconic states in Mexico, visit the capital Mexico-City, enjoy the colonial city of Queretaro, go to the amazing Guadalajara, walk through historic places at Puebla, and make everlasting memories in beautiful places like Puerto Vallarta and San Miguel de Allende.

During your stay in Mexico, you will have the opportunity to live four weeks on four different campuses. This will give you the chance to learn about different parts of the country without ceasing your studies. Each campus has special activities, and several trips, that will make your experience unforgettable!

## CAMPUSES

**Mexico City:** Located to the west of Mexico City, and designed by the world-famous architect Ricardo Legorreta, Santa Fe campus was built in 2001 and is one of the newest among other 31 campuses of Tec de Monterrey throughout México. Our campus is located in to Santa Fe area, the newest commercial and residential neighborhood that has become the greater economic activity center within the Mexican capital. Our privileged location, close to charming cities like Cuernavaca and Puebla, allows students to travel and enjoy diverse experiences while living within the heart of the country.

**Puebla:** Campus Puebla, located in one of the best districts of the city, opened its doors in 2003. On 25 hectares, you find 4 buildings with classrooms, offices, and the Convention Center and Technology Park. All facilities are equipped with state of the art technology. Additionally, there are two auditoriums, a cafeteria, a library, a copy shop, work and study areas, and 7 laboratories. Furthermore, we put at your disposal, a modern gymnasium with dressing rooms, showers, lockers and ample sports fields for soccer, basketball, volleyball and tennis.

**Queretaro:** Tec de Monterrey Campus Queretaro is the fourth largest campus in the country with more than 7,000 students, 55% come from other states and more than 400 international students of different nationalities each year. Queretaro is located in the heart of Mexico, just a 2-hour drive away from Mexico City. Its great location, modern infrastructure, and excellent diversity of people, food and touristic places makes the state one of the best destinations to visit. Queretaro is one of the safest, innovative, and state-of-the-art sectors in industrial production, education, and technology.

**Guadalajara:** The Guadalajara Campus opened its doors in August 1991, in an area of almost forty hectares located west of the metropolitan area, in the municipality of Zapopan. Over time this campus has and continues to develop its facilities to become the second most relevant campus, after the mother campus in Monterrey, and one of the most modern in the Tec system. Guadalajara is considered a capital of culture, being home of the well known Mexican icons such as mariachi, tequila, and charrería. All recognized as World Heritage by UNESCO.

## WHY i SUMMER MX?

### STANDS FOR

- INNOVATIVE
- INCREDIBLE
- ITINERANT
- IDEAL
- INTERNATIONAL

At **Tec de Monterrey** we focus on creating entrepreneurial leaders, so this summer students will learn how to improve their skills as a professional, as well as have the opportunity to develop skills that a world citizen requires through:

Company visits

Conferences with experts

Workshops

Trips

## COURSES

In this program the students will have the opportunity to take two different courses that would help the students develop a deeper understanding of Mexican culture in addition to improving their Spanish skills.

ITINERANT • INNOVATIVE • INTERNATIONAL • INCREDIBLE

Credits per class	3 Credits	5 ECTS	8 Tec Units
Hours per week	3 hrs. per class		
Maximun credit load	6 Credits (two courses)	10 ECTS	16 Tec Units

## Basic Spanish as a Foreign Language

Beginning Spanish as a Foreign Language course allows students to developing the basic communicative skills in the Spanish language to improve their performance in social and academic contexts. It requires no previous knowledge of Spanish. Upon completion, the students will be able to recognize and adequately use the syntactic structures of Spanish in communicative interactions at the beginning level.

### The student will be able to:

- Interact in everyday situations of encounters, greetings and introductions.
- Ask for and give basic information about himself/herself, other people, things, places, etc.
- Provide and retrieve information in and from formats and simple documents.
- Interact adequately in intercultural situations.
- Cooperate with classmates and professor to establish and maintain collaborative, cordial and trustworthy relationships.
- Expert conscious control over the psychological and affective factors that influence the learning process.
- Use learning procedures strategically.

## Mexican Identity and Culture

This is a basic humanities course in which students will understand, identify and analyze aspects of Mexico's culture so that they can assimilate and integrate themselves into the culture. No prior knowledge is required. As an outcome students will carry out dynamics related to diverse art expressions.

### The student will be able to:

- Comprehend the diverse popular artistic expressions as an important part of Mexican identity and culture.
- Learn basic concepts such as art, artcraft, artist, Mexican craftsmanship, local culture, and transculturalism.
- Analyse different identity construction processes.
- Understand the processes of cinematic production as dialogue opportunities among the aesthetic forms.

During your course, you will develop the basic skills of audio-visual narrative, multimedia storytelling and developing audiovisual content based on your learning of Mexican Culture.
