

from 12.45h. till 13.30h.

19 SEPTEMBER INFO LUNCH Master Honours Programmes RA 2502

A general information meeting about all three master Honours programmes. Q&A possibility in an informal setting.

9 OCTOBER RESEARCH HONOURS RA 3231

Are you a master student? Are you achieving above-average results? Do you have a demonstrable affinity for research and do you want to (further) develop the capabilities necessary for research? This excellence programme will be tailored to your needs and offers the deepening of theoretical and practical knowledge. You will acquire more knowledge by means of extra courses, trainings and meetings. The Research Honours programme is an addition to your master's programme.

10 OCTOBER DESIGN HONOURS RA 3231

The extra-curricular multidisciplinary Design Honours programme is an integrated module of 15EC. It will guide you also through a full design process, integrating both a technological and a societal challenge.

12 OCTOBER CHANGE LEADERS RA 3231

Are you a master student? Are you achieving above-average results? Will you be a leader of the future? Then the Change Leaders Honours programme is for you! This unique extra-curricular programme focuses on the development of personal leadership gaining and broadening your leadership capabilities. This enables you to be at your best and inspire others to do the same. This will help you to achieve excellent results in the project of your choice and any future projects.
