## 2016 Overall Reimbursement Guide

Below you will find an overview of the Menzis Basic Insurances Menzis Basis and Menzis Basis Vrij, additional and dental insurances. The services are listed that you can claim for each type of care. A reference has been included to the item in the insurance terms and conditions for each type of care. The insurance terms and conditions can be found by visiting [www.menzis.nl](http://www.menzis.nl) or can be requested from Menzis Customer Service on telephone number 088 222 40 40.

**Note:** The overview provides an overall description of the services that you can claim for. Conditions may have been included in the insurance terms and conditions that refer to the different care forms. Only if you meet these conditions will you be entitled to claim for the relevant care. Examples of these conditions are a referral from your general practitioner but also the condition that your care provider is a member of a specific professional association or that you must obtain permission from Menzis beforehand. These conditions have not been included in this overview but you can find them in the insurance terms and conditions. Restrictions may also apply such as a maximum number of treatment

sessions. For full information on the restrictions, consult the insurance terms and conditions.

**Note:** The services and reimbursements specified below are per insured per calendar year unless otherwise stated. Conditions and restrictions may apply that are not specified below. For more information on these conditions and restrictions check the insurance terms and conditions. This can be found by visiting [www.menzis.nl](http://www.menzis.nl) or can be requested from Menzis Customer Service on 088 222 40 40.
