*: Starting from the academic year 2011-2012, Bachelor's students Business Administration may choose to exchange from one up to three courses of the second year of the regular curriculum for an equal number of courses from the IBA curriculum. This possibility is open only to students of the 2009 and later cohorts who meet the following conditions:

- The student has obtained at least 40 EC of the first year's (propedeutic) programme
- The student is sufficiently proficient in the English language
- The student has obtained the consent of the student advisor Sietie Zuidema.

Students who meet these conditions can choose one of the following options:

1. Take 1 IBA course from the first block (5 EC)
2. Take 1 IBA course from the first block and 1 IBA course from the second block (10 EC total). Both courses have to be chosen from the same specialization (see the specializations below)
3. Take all courses of a specific specialisation. Take 1 IBA course from the first block, 1 IBA course from the second block and the IBA seminar in the third block (15 EC total) all from the same specialization.

N.B. 1: Other combinations are not allowed, due to prerequisite knowledge demands.

N.B. 2: The courses and seminar of the 'Human Resources & Organisation Studies' specialization are excluded from the exchange options described above, because of too much overlap with the regular BSc BK curriculum.
