

Attention after upgrade

Saving an Excel spreadsheet or PowerPoint presentation by using the “Save in JOIN” button, a copy of the file will be saved in Join, the original file will remain on your screen. The name of the original is changed in for example:

Advise: close the original file, open de file you saved in JOIN to continue your work.

Consult for more information about JOIN in general and available hand-outs our new webpage: www.utwente.nl/en/Join.
