|-------------|---|---------|
| 191158500   | Advanced Programming in Engineering               | 1B/2A   |
| 191157240   | Applied Mechanics - Capita Selecta                | -       |
| 201800102   | Basics for Process Simulation                     | 1A      |
| 191150460   | Biomechanical Engineering - Capita Selecta        | -       |
| 191154740   | Biophysical Fluid Dynamics: The Respiratory Syst. | 1A      |
| 191124310   | CAD/CAM - research                                | 2A      |
| 191210770   | Digital Control Engineering                       | 1A      |
| 191131730   | Dynamics of Machines                              | 2A      |
| 201700029   | Energy, Sustainability and Society                | 2A      |
| 193580020   | Experimental Techniques in Physics of Fluids      | 2A      |
| 201300038   | Failure Mechanisms & Life Prediction              | 1B      |
| 191154760   | Fluid Mechanics of Turbomachines II               | 2B      |
| 201400195   | Fluids and Elasticity                             | 2B      |
| 191154340   | Gasdynamics                                       | 2A      |
| 193810070   | Identification of Human Motor Control             | 2B      |
| 201800034   | Infrastructure and Asset Management               | 2B      |
| 192850960   | Intellectual Property in Product Development      | 2A      |
| 201700034   | Introduction to Partial Differential Equations    | 2A      |
| 201200145   | Maintenance Eng. & Design-for-Main. - C.S.        | -       |
| 191131410   | Mechanical Automation - Capita Selecta            | -       |
| 201600241   | Multigrid/Multilevel Scientific Computing         | -       |
| 191551150   | Numerical Techniques for PDE                      | 1B      |
| 191127500   | Production Management - Capita Selecta            | -       |
| 191121730   | Production Technology - Capita Selecta            | -       |
| 191820180   | Reverse Logistics & Re-manufacturing              | 1B      |
| 201700025   | Solar Energy                                      | 2A      |
| 192850840   | Sources of Innovation                             | 1A      |
| 191155720   | Surface Technology and Tribology - C.S.           | -       |
| 191211080   | Systems Engineering                               | 1A      |
| 193735010   | Thermodynamics and Flowsheeting                   | 1B      |
| 191100020   | TRIZ - Assignments                                | -       |
| 201000201   | Virtual Reality                                   | 2B      |
