

Integrated Photonics

Sonia Garcia Blanco

*Department of Science&Technology, Optical Sciences, MESA+ Institute, University of Twente
[s,m.garciablanco@utwente.nl](mailto:s.m.garciablanco@utwente.nl)*

In this talk, I will first give an overview about the integrated photonics field worldwide, in Europe, in the Netherlands to end up focusing on the Twente ecosystem. I will then summarize the work that is currently being carried out at the University of Twente and, in particular, at the Integrated Optical Systems group of the Optical Sciences chair.
