## The Politics In/Of Responsible Innovation

Guest Speakers

**Professor Marjolein van Asselt**, Maastricht University, Professor of Risk Governance, Department of Technology & Society, former member of the Scientific Council for Government Policy, and now at the Dutch Safety Board.

**Professor John Grin**, University of Amsterdam, Professor of Policy Science, especially System Innovation, Department of Political Science, co-director of the Programme Group Transnational Configurations, Conflicts and Governance of the Amsterdam Institute for Social Science Research.

**Professor Arie Rip**, University of Twente, emeritus Professor of Philosophy of Science and Technology, founder of the Department of Science, Technology and Policy Studies, research professor at the University of Stellenbosch, chairman of the Society for the Study of Nanoscience and Emerging Technologies (S-NET).

Discussant

**Professor Frank Fischer**, Distinguished Professor of Politics and Global Affairs, Rutgers University, Senior Fellow at the University of Kassel, and Research Associate at the Centre for Environmental Policy Research at the Free University Berlin, co-editor of *Critical Policy Studies*

All speakers will reflect on the role of politics in the coining, the meanings and performative (dys)functions of the new policy concept in good currency:  
Responsible Research & Innovation.
