The deadline for full papers is October 12th, 2009 (to be submitted to nig@fsw.eur.nl). Papers are distributed through the NIG website only. Bring extra copies to the session.

All participants are expected to read all papers in advance. Discussants have been appointed; prepare your comments in advance of the session!

Presentations should last no more than 10 minutes, leaving 15 minutes for questions, comments and discussion.

The session will be in English unless only native Dutch speakers are present.
