

NIG ANNUAL WORK CONFERENCE 2010
Maastricht University, Maastricht, 25-26 November 2010

**Panel 11: ‘Better regulation’: Trends and developments in policy implementation,
compliance, enforcement and supervision**

Convenors:

Martijn Groenleer (Delft University) & Esther Versluis (Maastricht University)

- Deadline for paper submission: Friday 12 November. Please send your paper to the convenors and to nig@fsw.eur.nl so it can be uploaded to the website. All participants of the session are expected to read the papers in advance and prepare comments and questions for the general discussion.
 - As we have limited time, and we would like to make the most of the actual discussion, the papers will be presented by the discussant (10 minutes; please briefly summarize the paper and provide your comments), after which the paper givers have time to respond and we open the floor for discussion. We will have approximately 30 minutes per paper.
-

Program
