

February 2019

General Members Meeting 2019

On Wednesday the 27th of February P-NUT will hold its yearly general members meeting (GMM). During this meeting the P-NUT board will report on all the past activities of 2018. After this review the board will present its plans for 2019 and together with all present members we will formally elect the new board.

We invite you to join this meeting to hear more about the plans of the board and have your say in our upcoming activities. You can also place yourself as a candidate for one of the elected board position: chairman, secretary, or treasurer.

We will hold the meeting Wednesday, **February 27th from 17:30 until 18:30 in room CR3A (building Carré)**. Next week you will also receive the 2018 annual report by email which you can review before the meeting.

After the GMM we go to Happy Italy in the city centre for dinner (provided by P-NUT). If you want to join this dinner, please sign up [here](#)

P-NUT needs your INPUT!

As P-NUT, we would like **to organize a workshop** together with **Handstand**. This company offers many workshops that are interesting for PhD students. But, we would like to decide with your input!

As P-NUT, we are curious about your opinion and your needs. Please see the workshop descriptions [in this link](#) and choose which cost-free workshop you would like us to organize together with Handstand!

P.S. Handstand will be organizing 10-minute 1 on 1 coaching sessions at the **Bedrijvendagen**. If you want a sneak preview or a personalized experience, please visit them during the Bedrijvendagen.

ABOUT HANDSTAND

“We are a training agency specialized in preparing students for their professional career. We help high potentials find out what their unique story is and to think more entrepreneurial. This is what drives us. Fun is one of the pillars in everything we do, which makes our training experience. On average, our training courses are valued at 8.7 and 97% and recommend the workshops to others.”
