It is already the sixth edition of the P-NUT Food & Drinks event. This time we go to the event area of Twenthe Airport. Let's hope for a balmy summer night. The event area is beautifully appointed.

On Friday the 30th of July we are heading to Air Stanislaus which is located at the Twenthe Airport. Are we going to see you there? As you can see on the map, Air Stanislaus at Vliegveld Twenthe is less far than you think: 20 minutes by bike from the center of Enschede. And the weather will hopefully be beautiful! Enjoy a freshly tapped beer and a wonderful dinner. And of course a scoop of ice cream on the way back.

About P-NUT

P-NUT passes the borders of faculties, departments and even universities by bringing PhDs and PDEngs with different backgrounds together to share their experiences and help each other to grow and become more efficient in their work. Our main objectives are to bring people who share similar interests together in both a professional and informal way, to inform them on the important aspects that might affect or benefit their careers, and share and defend the rights of the PhDs and PDEngs at the UT. These objectives define the three main goals of PNUT: **connect**, **inform** and **represent** the PhD candidates of the University of Twente.

Interested in representing and supporting your fellow PhD and PDEng candidates? Join the P-NUT board! As part of the board you become the voice of a community but also find constant opportunities to develop personally and professionally. Simply write us an e-mail.
