

# UNIVERSITY OF TWENTE.

## 'INCLUDE-UR CULTURE' LIVE @ THE UT SESSION!

Include-U is a platform where doctoral candidates (PhDs and PDEngs) of the UT can meet to openly talk and discuss about the inclusivity of the UT community. In every 'Include-Ur Culture' session doctoral candidates are invited to talk about the personal and cultural circumstances that have impacted their feelings of inclusion and belongingness. For our fourth session this year we will host a hybrid LIVE session where some of our colleagues participate directly from the UT campus. Do not miss this!

One of our speakers for this session will be **Rob Bemthuis, from The Netherlands:**

*'Rob can be seen as a local from Enschede, although he grew up in the town called Haaksbergen. When he was 18 he moved to Enschede for his studies. Since then he has been active in many circles and associations, including P-NUT. Yet, the coronavirus circumstances also affected him. During this interactive session, Rob will share some of his experiences and thoughts on his career and personal life. He also likes to discuss how he embraces obstacles to get ahead in life. One of the sayings that intrigued him is: intense curiosity may have killed the cat, but satisfaction brought it back.'*

**What:** Include-Ur Culture Session #4

**Date:** Thursday 24<sup>th</sup> of June, 2021

**Time:** 15:30 - 16:30

Participate and get some P-NUT goodies and more!

These sessions aim to help us recognize the diversity of our community and to promote the inclusion of all individuals. However, beyond this honorable aim, we also offer all attendees a chance to win some P-NUT goodies, as well as other Dutch cultural incentives.

## P-NUT PIZZA AND BEER PICNIC IV

Some of the coronavirus measures are relaxed and the curfew is finally lifted. Although there are still many measures to control the coronavirus active, P-NUT will organize a trial outdoor food event.

To keep it responsibly socially distanced we invite you to picnic with us in the Abraham Ledebouerpark. We will provide Pizza takeout, beer, and soft drinks. You only have to **bring a picnic blanket**. To make sure it will not get too crowded, we impose the following measures:

1. We limit the total capacity (when capacity is reached, it's not possible anymore to register).
2. Registration is mandatory (one day before the event we will close the registration).

3. We will have a checklist present, confirming the names and health questions.
4. If you can't attend, inform us beforehand. We get a lot of requests from members to organize events again. Not showing up without informing us will not be appreciated.
5. The Dutch measures against COVID-19 should be followed ([link](#)) (e.g., 1.5 meters apart and group size restrictions).

**What:** Pizza and Beer Picnic IV

**When:** Saturday, June 19th, from 15:00h to 20:00h (pizza will be there at roughly 18:00h)

**Where:** the Abraham Ledebouerpark in Enschede (near the water and big tree, Google Maps location: <https://goo.gl/maps/hu9FZkR8pvwnx6yG9>)

**Costs:** free, but registration is required:

## P-NUTS' INSTAGRAM AND FACEBOOK GIVEAWAY!

Please follow our pages on [Instagram](#) and [Facebook](#) and win a gorgeous bonsai to bring life and positivity to your work desk.

Participation is easy:

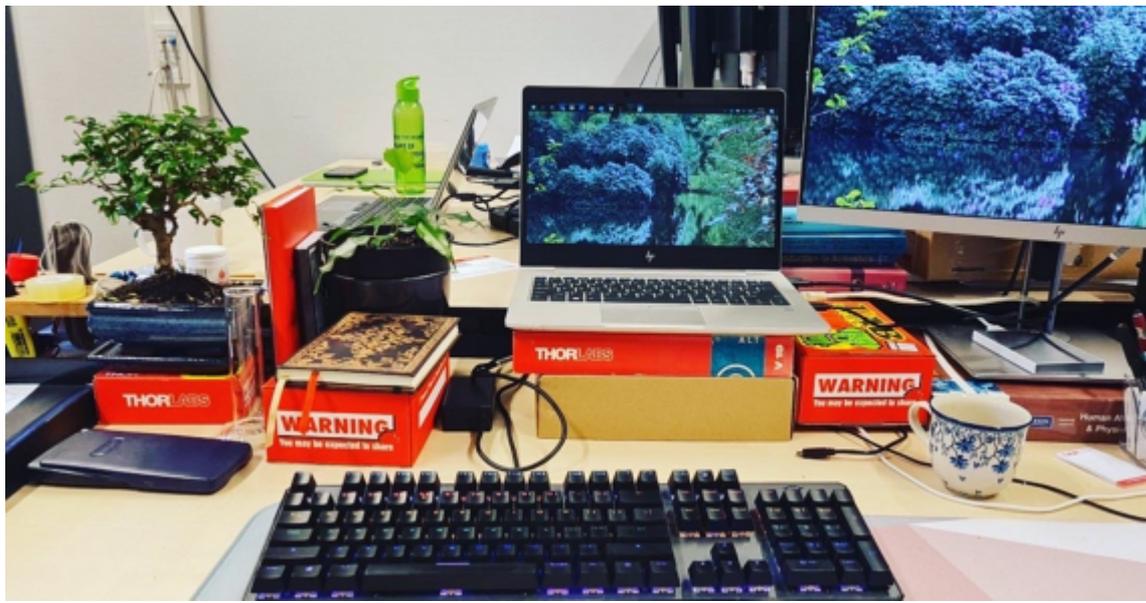

1) **Follow** our Instagram or Facebook page:

- [Instagram](#)
- [Facebook](#)

2) **Like** our last post

3) **Tag** 1 of your PhD or PDEng fellows

That's it! The winner will be announced on 1st of August.

## THE SHAPING EXPERT GROUP (SEG) INCLUSION

The Shaping Expert Group (SEG) Inclusion is an advisory team of student and employees committed to making the University of Twente (UT) more inclusive with regard to several diversity dimensions. You can find more information about the SEG Inclusion on [www.utwente.nl/seg-inclusion](http://www.utwente.nl/seg-inclusion).

One of our current goals is to create a safe space for dialogue regarding ethnicity and race; **to find out the barriers and problems related to ethnicity and race that prevent the UT from being a place where everybody feels at home.** Naturally, we need participants to enter into this dialogue, we need you, and because of the sensitivity of the subject, we also need to know in which setting you feel most comfortable for the dialogue. For this, we have the following survey that we would like you to fill in. Notice that the survey can also be filled in anonymously and you would still be contributing to our project. If you also want to participate in the dialogues you can fill in your name at the end.

[Ethnicity & Race survey](#)

Please let me know if you need more information by sending me an email to [seginclusion@utwente.nl](mailto:seginclusion@utwente.nl). Your help in disseminating and filling in this survey will

greatly contribute to the success of the project.

## STUDENT ENTREPRENEURSHIP: TAKE PART IN THE GUESSS SURVEY

Complete the survey by 01.06.2021 and have the chance to win one of the 10 €20 vouchers for Bol or Amazon.

Your future career path and professional activities are of high importance. The research project **GUESSS** thus investigates students' career choice intentions and related activities in around 50 **countries and more than 1000 Universities**.

We invite you to take the GUESSS survey and be part of one of the largest entrepreneurship research projects in the world. The main focus lies on students' entrepreneurial intentions and activities.

Your answers, together with those of over 208,000 other students from all around the world, will contribute to generate unique insight into student entrepreneurship in the form of academic and practitioner-oriented output.

**Your participation** in our online survey is **extremely valuable**. All completed questionnaires will be considered for our raffle, where you can win one of 10 20€ vouchers for BOL or Amazon, offered by our sponsor OOST NL.

Filling out the online survey will take approximately 10-15 minutes.

Please find the survey [here](#).

## MAKE YOUR APPOINTMENT TO GET VACCINATED AGAINST THE CORONAVIRUS

Would you like to get vaccinated against the coronavirus?

Then you can make an appointment via <https://coronatest.nl/>

## FAIR DATA & GOOD PRACTICE OF SCIENCE

The DCC is happy to announce her third thematic session to you!

On **Monday June 28th, from 10:00-11:00**, the next DCC thematic session will take place. The theme of this month is: 'FAIR data & good practice of science'. For more information about this topic, visit [our website](#).

The programme of this sessions is as follows:

- 10:00-10:05 Opening
- 10:05-10:20 [Associate Professor Luiz Bonino da Silva Santos](#), who is also international technology coordinator at the [Go FAIR initiative](#), will talk about the current state of FAIR based on its' first starting point in 2014 which results in the first FAIR paper published in Nature in 2016 and the developments in the field since then.
- 10:20-10:30 Discussion, Q&A
- 10:30-10:45 [Dr. Ria Wolkorte](#) & [Dr. Michelle Kip](#) will present about [their current work](#), their interest in Citizen Science and how their road crossed with FAIR Data through the [FAIR Data Fund from 4TU.ResearchData](#).
- 10:45-11:00 Discussion, Q&A, closing

We hope to see all of you at the 28th! [Register via our events page](#), to make sure you won't miss it

## JOIN P-NUTS PHD & PDENG DAY 2021 TEAM

Do you want to broaden your horizon and work with an active community on organizing the UT PhD & PDEng Day 2021? Join forces and contact us.

Here a snapshot of the fantastic event organized during pre-corona times: <https://www.youtube.com/watch?v=KS1bvC4H2lc>

[Please click here to contact us](#)

## JOIN P-NUTS WALKING SESSIONS

# Join Walking Sessions Every Tuesday at UT Campus

For quite some time, the majority of us have been working from home. We understand that this can adversely affect your morale and that you may miss the office. Especially the small talks with peers. Therefore, P-NUT initiates corona-proof walking sessions, where you will walk a short trail together with a small group of peers.

**What:** P-NUT Walking Initiative

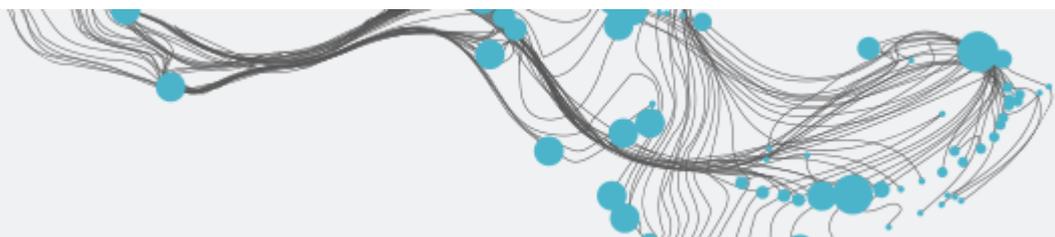

**Date:** Every Tuesday

**Time:** 12:45 - 13:30

The benefits of walking outside every day help to keep the brain healthy. Getting fresh air can improve concentration and reduce stress. Besides that, when out in sunlight (even a little bit of it), your skin synthesizes vitamin D, which could reduce inflammation.

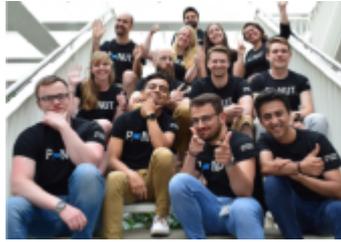

After registration, we will provide you a link to join our WhatsApp group. You can suggest your own date/time and get in touch with your peers.

[Please click here to register](#)

## About P-NUT

P-NUT passes the borders of faculties, departments and even universities by bringing PhDs and PDEngs with different backgrounds together to share their experiences and help each other to grow and become more efficient in their work. Our main objectives are to bring people who share similar interests together in both a professional and informal way, to inform them on the important aspects that might affect or benefit their careers, and share and defend the rights of the PhDs and PDEngs at the UT. These objectives define the three main goals of P-NUT: **connect**, **inform** and **represent** the PhD candidates of the University of Twente.

*Interested in representing and supporting your fellow PhD and PDEng candidates? Join the P-NUT board! As part of the board you become the voice of a community but also find constant opportunities to develop personally and professionally. Simply write us an e-mail.*
