Remember our last year's Food & Drinks events in the parks? Guess what.. P-NUT is back this year! Take advantage of the nice weather - let's pray that the weather gods will be on our side. We are organizing the 9th edition of our picnic this week: Pizza's in the park.

This time the picnic will take place on the Campus (in front of the Theatercafé Vrijhof). There is chosen for this because of the sanitary facilities. We will order Pizzas and you only have to **bring a picnic blanket and your own drinks** (you can buy drinks at the supermarket nearby the location).

When: Friday, June 10th, starting at 17:00h. The pizza's will be ordered at 17:30h.

Where: In front of De Vrijhof on the Campus ([Google Maps location click here](#))

You can choose the date, activity and spending of the budget all by yourself. Does that sound interesting? Join us for the next meeting!

P-NUT COLLABORATION WITH TWENTSCHE FOODHALL

The Twentsche Foodhal is the place in Enschede where you can organize your PhD party in an urban atmosphere. The 8 world cuisines offer great and affordable authentic dishes. All dietary needs can be met, from vegetarian to vegan, from gluten-free to halal. In addition, there are always 16 types of beer on tap and a wide choice of (non-) alcoholic beverages. Please contact their event manager (reserveringen@twentschefoodhal.nl) to explore the possibilities. "Your wish is our central concern".

As a member of P-NUT the Twentsche Foodhal offers P-NUT members the following:

- 10% discount on drinks
- 100% discount on use of our audio and visual equipment
- because your guests and you yourself enjoy our food and drinks, we do not ask rent for the space
- we like to work customer-oriented, the wishes of the doctoral candidate are central (average prices for dishes vary from €5 to €11 per dish)

JOIN P-NUTS WHATSAPP GROUP

The P-NUT WhatsApp group provides a place for us to talk to each other, look out for each other and contact fellow doctoral candidates for support. You can suggest your ideas (e.g., events to be organized) and get in touch with your peers. After registration, we will provide you a link to join our WhatsApp group.

BENEFITS OF JOINING THE GROUP

- Ask for help with regulations, or any other related assistance;
- Let your peers know if you're self-isolating so someone can make sure you're okay;
- Get informed about new events sooner than via the P-NUT newsletter;
- Initiate events by yourself (e.g., walking on Campus or having a daytrip to a recreation park);
- Share (important) updates from official P-NUT sources (e.g., about events, surveys, etc.).

SOME DRAWBACKS OF JOINING THE GROUP

- We want to caution against the sharing of misinformation or speculation in the group, but we hope it can serve as a useful resource for building an effective support network;
- We suggest to mute notifications from this group, as it can be SPAM-intensive.

About P-NUT

P-NUT passes the borders of faculties, departments and even universities by bringing PhDs and PDEngs with different backgrounds together to share their experiences and help each other to grow and become more efficient in their work. Our main objectives are to bring people who share similar interests together in both a professional and informal way, to inform them on the important aspects that might affect or benefit their careers, and share and defend the rights of the PhDs and PDEngs at the UT. These objectives define the three main goals of PNUT: **connect**, **inform** and **represent** the PhD candidates of the University of Twente.

Interested in representing and supporting your fellow PhD and PDEng candidates? Join the P-NUT board! As part of the board you become the voice of a community but also find constant opportunities to develop personally and professionally. Simply write us an e-mail.
