- ☐ I am considering/applying to the 4TU E&T track so therefore my choice of electives may change according to the E&T Track's programme.

Note: deadline for this 4TU E&T application is 15 June 2025.

Note:

Instead of choosing 5 electives from the lists above, other electives on master's degree level can (up to a **maximum of 10 EC**) be selected, upon approval of the PSTS programme staff, mandated by the Examination Board. Written requests in this regard have to be submitted to the PSTS study adviser before 15 June 2025.

I choose **another elective course***:

Course name (and course code)	Name University/programme	ECs	Quartile

- * Please be aware that you yourself have to inquire whether you are eligible to take this course/these courses and arrange your admission, with the staff of the other programme/university.

Students are expected to be familiar with the University's policy on plagiarism, cheating and other forms of academic misconduct. If an examiner has a motivated suspicion of fraud, the Examination Board will be notified. The Examination Board will start a procedure according to the Rules and Guidelines:
