

Appendix A: Choosing year #2 electives (Milestone 1)

To be submitted at the Educational Affairs Office before 1 August

Family name: _____

Given name(s): _____

Student number: _____

I choose the following **5 PSTS electives** in the academic year 2018-2019 from the set of 7 courses
(Please tick - ✓) (or: I choose only 3 or 4 PSTS electives, in combination with other electives – see below)

Quartile 1:

	Course code	Course name
	201800145	Technologies in use
	201800146	Transformations of knowledge in a digital age
	201800147	Perspectives on governance of socio-technical change
	201800148	Good technology for users and society

Quartile 2:

	Course code	Course name
	201800149	Anticipation and evaluation of emerging technologies
	201800150	Minds, bodies and technologies
	201800151	Rethinking science-technology relations

Note:

Instead of choosing 5 electives from the list above, non-PSTS electives on master's degree level can (up to a **maximum of 10 EC**) be selected, upon approval of the Examination Board. Written requests in this regard have to be submitted preferable before **1 July (in exceptional cases: 1 August)**. See procedure on: <https://www.utwente.nl/en/bms/examboard/>

I choose 1 or 2 of the **two alternative courses** from other UT programmes that have been identified as suitable elective (upon approval from the Examination Board):

Quartile 1:

	Course code	Course name
	201100077	Policy analysis in public and technological domains (from the MSc programme Public Administration)
	201600012	Management and governance of innovation and creativity (from the MSc programme Business Administration)

I choose **other electives***:

Quartile 1:

Course name (and course code)	Name University/programme	EC's

Quartile 2:

Course name (and course code)	Name University/programme	EC's

* Please be aware that you yourself have to inquire whether you are eligible to take this course/these courses and arrange your admission, with the staff of the other programme/university.
