

Appendix A: Choosing year #2 electives (Milestone 1)

To be submitted at the Educational Affairs Office before 15 August

Family name: _____

Given name(s): _____

Student number: _____

I choose the following **5 PSTS electives** in the academic year 2018-2019 from the set of 7 courses (**Please tick - $\sqrt{}$**) (or: I choose only 3 or 4 PSTS electives, in combination with other electives – see below)

Quartile 1:

| | Course code | Course name |
|--|-------------|--|
| | 201800145 | Technologies in use |
| | 201800146 | Transformations of knowledge in a digital age |
| | 201800147 | Perspectives on governance of socio-technical change |
| | 201800148 | Good technology for users and society |

Quartile 2:

| | Course code | Course name |
|--|-------------|--|
| | 201800149 | Anticipation and evaluation of emerging technologies |
| | 201800150 | Minds, bodies and technologies |
| | 201800151 | Rethinking science-technology relations |

I choose **1 of the two alternative courses** from other UT programmes that have been approved as suitable elective by the Examination Board:

Quartile 1:

| | Course code | Course name |
|--|-------------|--|
| | 201100077 | Policy analysis in public and technological domains (from the UT MSc programme Public Administration - PA) |
| | 201600012 | Management and governance of innovation and creativity (from the UT MSc programme Business Administration - BA) |

Note:

Instead of choosing 5 electives from the lists above, other electives on master's degree level can (up to a **maximum of 5 EC**) be selected, upon approval of the Examination Board. Written requests in this regard have to be submitted to the Examination Board before **1 July** (in exceptional cases: before 1 August).

See procedure on: <https://www.utwente.nl/en/bms/examboard/>

I choose **another elective course***:

| Course name (and course code) | Name University/programme | EC's | Quartile |
|-------------------------------|------------------------------|------|----------|
| | | | |

* Please be aware that you yourself have to inquire whether you are eligible to take this course/these courses and arrange your admission, with the staff of the other programme/university.

| | |
|---|------------|
| Student: | Signature: |
| Date: | |
| Submit before the 1st of July ** at the PSTS Educational Affairs Office (EAO) – Citadel H-436 | |

** Students who need to submit their elective(s) request to the Examination Board have no guarantee that they can take their preferred elective elsewhere at this moment, but they still need to hand in this form to the Educational Affairs Office in time, so their participation in the PSTS courses can be noted.

Faculty of Behavioural, Management and Social Sciences
 Master of Science Programme Philosophy of Science, Technology and Society
