Note: deadline for this 4TU E&T application is 21 July 2023

Note:

Instead of choosing 5 electives from the lists above, other electives on master's degree level can (up to a **maximum of 10 EC**) be selected, upon approval of the PSTS programme staff, mandated by the Examination Board. Written requests in this regard have to be submitted to the PSTS study adviser before 15 June.

I choose **another elective course***:

Course name (and course code)	Name University/programme	ECs	Quartile

* Please be aware that you yourself have to inquire whether you are eligible to take this course/these courses and arrange your admission, with the staff of the other programme/university.

Students are expected to be familiar with the University's policy on plagiarism, cheating and other forms of academic misconduct. If an examiner has a motivated suspicion of fraud, s/he will notify the Examination Board. The Examination Board will start a procedure according to the Rules and Guidelines: <https://www.utwente.nl/en/bms/examboard/regulations/rg-2022-2023-v20220914-final.pdf>
