If this is not the case, you have to contact the PSTS study adviser.
 Submit a Study Progress Review from Osiris that lists your academic achievement
- The Final Project research proposal and a transcript of records have been approved by the Final Project supervisor
- After signing this Milestone 2 form the student has to submit the **original copy** to the Educational Affairs Office PSTS and a copy to the MasterLab teachers and the PSTS study adviser.
- In case this Final Project involves human subject research, the student must submit the research proposal to the Faculty's Ethics Committee **before starting the part of the work involving humans**

Note: According to standard procedure you will upload your thesis for non-confidential publication after graduation. In case the thesis supervisor and/or the organisation where you conduct your Final Project insist on deviating from this public archiving of the thesis, you must submit a request for changing this public status into "confidential" to the Examination Board.

Should the thesis be handled confidential?

- No Yes, and I will submit a request to the Examination Board
