### Back office

The back office initiates assignments, appointments and the administrative processing involved. The contact details of the back office can be found on the invitation letters, which employees will receive for their appointments with the employability coach, company doctor or psychologist. If an employee wants to contact the company doctor or make an appointment for the **working conditions consultation hour**, then he or she can contact the back office. If a manager think an **emergency call** (within 48 hours on working days) is necessary, then he or she can contact the back office.
