5. These regulations shall enter into force on 1 January 2021 and were adopted by the Executive Board on 5 juli 2021.

# Explanatory notes to the University of Twente Participation Compensation Scheme

## Section 1 General

Professors occupying an endowed chair and persons employed by the Dutch Research Council or a comparable organisation appointed by the Executive Board, have the right to stand for election to the employee section of these participation bodies. Due to the fact that there is no employment contract with the university in this case, further agreements are necessary per individual case.

## Section 2 University Council

### Article 2

- Paragraph 1: The attendance fee for student members of the University Council is fully taxed. The amount is paid gross. The recipient is required to report this income to the tax authorities/student grant organisation.
- Paragraph 2: This bonus for employees is based on Article 3.19 of the Collective Labour Agreement for Dutch Universities. The amount is fully taxed and will be paid after payment of the payroll taxed owed.

### Article 3

- Paragraphs 1 and 2: The additional attendance fee for student members of the University Council is fully taxed. The amounts are paid gross. The recipient is required to report this income to the tax authorities/student grant organisation.  
A non-EU student with scholarship may be confronted with a tax assessment on his/her scholarship. This depends on the grant itself (for some grants the UT has specific agreements with the tax authorities), the payment method (directly to the student, or via the UT as a registrar). For more information, please contact the payroll coordinator at [salaris-hr@utwente.nl](mailto:salaris-hr@utwente.nl).
- Paragraph 3: The additional bonus for the chair of the University Council is based on Article 3.19 of the Collective Labour Agreement for Dutch Universities. The amount is fully taxed and will be paid after payment of the payroll taxed owed.  
The additional reimbursement is calculated based on the gross salary scale of the employee in question, in addition to social security contributions.

### Article 4

- Paragraphs 1 and 2: The (additional) compensation is calculated based on the gross salary scale of the employee in question, in addition to social security contributions.
- Compensation for the unit of 18% of the personnel costs in the case of full-time employment means that, based on a full-time employment contract of 1600 available hours per year, the unit will be compensated for 288 hours for a University Council member.
- Paragraph 4: In the event that the employee holds a special position as determined by the University Council then the unit will receive additional compensation. The University Council has 0.65 fte available for the classification of special positions. The registrar notifies the Finance service department about the distribution of the compensation across the special positions. The Finance service department then notifies the units of this decision.

## Section 3 Faculty Councils

### Article 5

- Paragraphs 1 and 2: The attendance fee for student members of a Faculty Council is fully taxed. The amounts are paid gross. The recipient is required to report this income to the tax authorities/student grant organisation.  
A non-EU student with scholarship may be confronted with a tax assessment on his/her scholarship. This depends on the grant itself (for some grants the UT has specific agreements with the tax authorities), the payment method (directly to the student, or via the

UT as a registrar). For more information, please contact the payroll coordinator at [salaris-hr@utwente.nl](mailto:salaris-hr@utwente.nl).

- Paragraph 3: This bonus for employees is based on Article 3.19 of the Collective Labour Agreement for Dutch Universities. The amount is fully taxed and will be paid after payment of the payroll taxed owed.

#### Article 6

- Paragraphs 1 and 2: The (additional) compensation to the organisational unit of the faculty is calculated based on the gross salary scale of the employee in question, in addition to social security contributions in case of full-time employment.
- Compensation for the organisational unit of the faculty of 10% of the personnel costs in the case of full-time employment means that, based on a full-time employment contract of 1600 available hours per year, the unit will be compensated for 160 hours for an employee who serves on the Faculty Council and 240 hours per year if the employee is a member of the Executive Board.

### **Section 4 Programme Committees**

#### Article 7

- Paragraphs 1 and 2: The attendance fee for a student member of a Programme Committee is fully taxed. The amounts are paid gross. The recipient is required to report this income to the tax authorities/student grant organisation.  
A non-EU student with scholarship may be confronted with a tax assessment on his/her scholarship. This depends on the grant itself (for some grants the UT has specific agreements with the tax authorities), the payment method (directly to the student, or via the UT as a registrar). For more information, please contact the payroll coordinator at [salaris-hr@utwente.nl](mailto:salaris-hr@utwente.nl).
- Paragraph 3: This bonus for employees is based on Article 3.19 of the Collective Labour Agreement for Dutch Universities. The amount is fully taxed and will be paid after payment of the payroll taxed owed.

#### Article 8

- There may be multiple Programme Committees at faculty level. The use of employees in a Programme Committee is part of the total education capacity.

### **Section 5 Service Councils**

#### Article 9

- Paragraph 2: This bonus for employees is based on Article 3.19 of the Collective Labour Agreement for Dutch Universities. The amount is fully taxed and will be paid after payment of the payroll taxed owed.

#### Article 10

- 5% of the personnel costs in the case of full-time employment means that, based on a full-time employment contract of 1600 available hours per year, 80 hours capacity is budgeted per employee who is a Service Council member .
