

PHD INTEGRITY GUIDE

The University of Twente expects everyone in the UT community to behave responsibly when it comes to the ethical aspects of their work or studies. But what if you experience, see or hear something which you think is unacceptable? The best thing to do, of course, is to discuss the matter with the people directly involved, or with your supervisor. But sometimes you might not feel safe enough to do this. If this is the case, there are other people you can turn to. This guide makes it easy to find the right person to get in touch with. Please find the integrity guides for students and employees through the integrity website.

THIS GUIDE IS IN ADDITION TO THE STAFF INTEGRITY GUIDE THAT ALSO APPLIES TO ALL PHD'S IRRESPECTIVE OF THEIR STATUS (EMPLOYED OR NOT EMPLOYED BY THE UNIVERSITY).
