Remarks about Authors

In this overview we analyzed all social media messages containing UT search terms (items containing words or links like 'utwente', ' university of twente', ' op de UT', ' universiteit twente', etc.).

This lists shows UT member social media accounts (staff, students, UT-(student)organizations, alumni) that got the most interaction (retweets and comments) on their UT related social media messages.

Accounts with an 'x' are Facebook accounts. Other accounts are usually Twitter and Instagram.

Are you missing someone on the list? Send us a message on Twitter/Facebook/Instagram or by email to socialmedia@utwente.nl.
