

UNIVERSITY OF TWENTE.

## QUICK OVERVIEW OF THE PORTFOLIO

# PORTFOLIO

---

- The Portfolio tool can be used to track student progress throughout their entire programme.
- It was developed at the UT for tracking professional skills-based assignments.
- This presentation contains a few examples of Portfolio screens.

# STUDENT VIEW

## PORTFOLIO - TBK - VOORBEELDCOHORT UT-2015

Suspendisse faucibus sem elementum, gravida metus sit amet, fermentum metus. Cras consectetur, ipsum quis tristique mattis, justo lacus ullamcorper nisi, ac rutrum nisl purus et urna.

[details](#) | [assignments](#) **2**

YOUR PRODUCTS Number of open assignments: 2

Assignments:

- Schrijfopdracht niveau 1
  1. [Schrijfopdracht 1 van student2](#)  
submitted - pending grading by Laura Bergmans
- Schrijfopdracht niveau 2
  1. [Schrijfopdracht 2 van s2](#)  
not submitted

Students are added to **Topics** and receive **Assignments**.

They add **Products** that are routed to the examiner(s).

Their scores are displayed on the **Progress** tab.

# EXAMINER VIEW

## EXAMINER HOME

Welcome examiner. In this environment you can find information for each of the cohorts you are related to, see the products you have to grade and view your recently graded products.

## COHORTS

Click on a cohort to see more information. If you are assigned as a portfolio group examiner you can click on your student portfolios.

Please note: When you are an assignment or topic examiner you won't be able to see the student's entire portfolio. You can only see the products you need to assess (in the section Products to grade below).
