Dear Executive Board,

The University Council appreciates having received the changes in the enrolment regulations. After reading it, the University Council agreed that most of the changes were a good adjustment to the already existing policy. The questions were answered in a satisfactory manner during the external committee meeting. However, on a technical note, the Council would like to see an addition to chapter 2.5.6.3. Here the tuition paid by students who do a joint or double degree is discussed but the case where students do not pay tuition at our partner university is not addressed.

CONCEPT-DECISION:
The University Council,

seen:

- UR 19 - 138 enrolment regulation;

heard:

- the internal Committee OOS-meeting on 4 September 2019;
- the external Committee OOS-meeting on 11 September 2019;

advices to:

- to include the case where a partner university does not request tuition in chapter 2.5.3.6;

decides:

to agree with the proposed changes of the enrolment regulation as long as the proposed advice is followed.

UNIVERSITEIT TWENTE.

Yours sincerely,
on behalf of the University Council

P/O
