

## **Declaring your candidacy**

You need to declare your candidacy to stand for the University Council elections before 5 PM on Wednesday April 21, 2010. Candidacy registration forms are available at the Central Polling Committee (Spiegel, room 300). To stand as a candidate you need to submit a list with at least one candidate (and a maximum of fifteen candidates) and signatures of at least five voters (employees or students registered at the UT of the same section). If there are errors in the submitted forms, these should be corrected.

Besides submitting your own list of candidates, it is also possible to join an existing party. The following parties are at the moment represented on the University Council: UReka, PvdUT, Lijst Chairman, Pro UT and Campus Coalitie (CC).
