

# Networked enhanced features

The screenshot shows the Research Professional website interface for Screenshot University. The navigation bar includes 'News', 'Funding', 'Our Institution', and 'Help'. The 'Funding' section features an 'Advanced search' form with filters for 'Funder: European Science Foundation, EU', 'Discipline: Electronics & Electrical Engineering', and 'Award type: Travel for research purposes'. The 'News' section displays a headline: 'Review backs stronger research and healthcare link' and 'Government orders ACIAR efficiency review'. The 'Our Institution' section includes a 'Hello Users!' message and a table of resources:

Funding searches	Funding bookmarks	Magazines
Communications	FP7 Funding	English Today
Faculty of Arts and Science	Fullbright	
Shared demo search		
Travel		

Other visible elements include a 'My Profile' sidebar with 'Groups' (Chemical Engineering, Mechanical and Manufacturing Engineering, Faculty of Engineering) and 'Publications' (Research Fortnight, Research Europe, Research Africa). A 'Chronic Hepatitis C' article snippet is also present. The footer contains contact information and copyright details: '© Copyright 2012, ResearchResearch Ltd, London, UK, All Rights Reserved'.

**Easy to navigate toolbar**  
Access the homepage of News, Funding, Our Institution and Help

**Advanced Search**  
Build complex searches using unlimited criteria and locate the items most relevant to you

**Email Alerts**  
Define customised email alerts to keep you informed of new developments
