UNIVERSITY OF TWENTE.

With reference to: BSA /B-EDU/college year/Final recommendation/sxxxxxxx

Dear <mr./ms.> <last name>, Dear <first name>,

We hereby inform you of the final recommendation on continuation of studies based on your academic results up to and including <calculation date> of the first year of the Bachelor <education name> programme (B1), academic year <college year>. You are receiving this advice as part of the binding recommendation on continuation of studies (BSA) (see Section 6 of the Education and Examination Regulations).

Your study progress does not meet the standard as stipulated in the Education and Examination Regulations for your educational programme. You have made use of the opportunity to state your personal circumstances, as referred to in Section 6.3, Paragraph 13 of the Education and Examination Regulations.

The Programme Board is not convinced that your failure to achieve the required study progress standard is a direct and irrevocable consequence of the personal circumstances that you have detailed. For that reason, the Programme Board intends to give you a **negative** binding recommendation on continuation of studies. A final negative binding recommendation on continuation of studies means you will not be able to re-enrol for your study programme Bachelor Mechanical Engineering for the next three years. With the consequence that you will have to quit that UT programme.

If you consider the intended negative binding recommendation unjust, you have the opportunity to be heard by a delegate of the Programme Board. To make use of this opportunity, you need to make an appointment no later than five working days after the date of this letter. After the hearing, a final recommendation will be sent to you no later than 31 August <college year +1>. In case you do not make use of the hearing opportunity, this intended recommendation will become final on 25 August <college year +1>. You will not receive a letter confirming this.

The Education and Examination Regulations and further information about planning of the hearing procedure can be found on the Education page of your educational programme. General information about the hearing can be found on:

Sincerely,

Programme Board of Bachelor <education name>
