## UNIVERSITY OF TWENTE.

With reference to: BSA /B-EDU/college year/Final recommendation/sxxxxxxx

Dear <mr./ms.> <last name>, Dear <first name>,

We hereby inform you of the recommendation on continuation of studies based on your academic results up to and including <calculation date> of the first year of the Bachelor <education name> programme (B1), academic year <college year>. You are receiving this notification as part of the binding recommendation on continuation of studies (BSA) (see Section 6 of the Education and Examination Regulations).

You have made use of the opportunity to state your personal circumstances, as referred to in Section 6.3, Paragraph 13 of the Education and Examination Regulations. Based on your study progress and the assessment of your circumstances the Programme Board believes it cannot yet be determined with a sufficient degree of certainty whether or not you are suited for this educational programme.

For this reason, the Programme Board has decided to **defer your recommendation** on continuation of studies. This means that in the forthcoming academic year - providing that you still want to continue your studies - you will have to meet the performance standard for your educational programme within a specific period of time to be determined by the Programme Board. The Programme Board will inform you of the date on which you need to have met the standard no later than 15 September <college year +1>.

The Education and Examination Regulations can be found on the Education page of your educational programme. For questions about this letter or other study-related matters, please contact the study advisor.

Sincerely,

Programme Board of Bachelor <education name>

If you do not agree with this decision of the Programme Board, you can within six weeks after the date of dispatch of this letter appeal with the Complaints Desk.
