

# Annual Report Academic Year 2023/2024

Program Committee TN/APh

This is the annual report of the program committee (PC) of the applied physics programme for the academic year 2023/2024.

## Members 2023/2024

	<i>Name</i>	<i>Job Description</i>	<i>Period in committee (since)</i>
<i>Staff members</i>	Alvaro Marin (Chair)	UHD, Physics of Fluids	January 2022 (Chair since October)
	Marc M. J. Dhalle	UHD, Energy Materials and Systems	
	Claudia Filippi	HL, Computational Chemical Physics	September 2021
	David A. I. Marpaung	HL, Laser Physics and Non-Linear Optics	September 2022
	Imre C. W. T. A. van Veldhoven	Lecturer Applied Physics	September 2022
<i>Student members</i>	Léon Goedegebuur (Vice-chair)	Student M-AP	Jan. 2021 (Vice-chair since Jan. 2022)
	Gijs Frijters	Student B-AP	Sept. 2023
	Bibi Van Strien	Student B-AP	Nov.2021 (until Sept.2024)
	Jesse Metternich	Student B-AP	Jan. 2023
	Marel Vrerink	Student B-AP	Jan. 2021 (until July 2024)
<i>Advisors</i>	Sissi J. A. de Beer	AP Program director, UHD Computational Chemical Physics	
	Carlijn van Emmerik	Student Advisor Applied Physics and Lecturer	
	Dejana Djokovic	Student Advisor Applied Physics	
	Renilde P.A.M. Bonthuis-van Seters	Onderwijskwaliteitscommissie	
	Edwin Lodder	Onderwijscoördinator Bsc Tn & Msc Ap	
	J. Boonstra	Onderwijskwaliteitscommissie	Sept. 2023 (until July 2024)
	Hans Kanger	Secretary Exam committee, lecturer Applied Physics	Dec.2022 (until June 2024)
	Kai Sotthewes	Secretary Exam committee	July 2024
<i>Externals</i>	Marthe de Vries	Arago, Student B-AP	Sept. 2023-Sept 2024
	Anita B Weise	BOZ, Onderwijsondersteuner	Dec. 2022

## Meetings

The PC meetings in the 2023/2024 period took place on the following dates, with a summary of the discussed points:

<i>Date</i>	<i>Items discussed</i>
September 21, 2023	- Discussion on Annual report
October 19, 2023	- Q3/Q4 reports 2022/2023 - An issue is raised regarding the workload on Module 4, the OLC will follow the actions taken by the lecturers in this respect in the upcoming months.
November 30, 2023	- Discussion on resits - OKC reports TN-MOD8 - Discussion on issues with Models (TN-MOD5), the OLC will follow the progress on the issues of this course in the upcoming months.
January 18, 2024	- Meeting cancelled.
February 29, 2024	- OKC reports: Q1 (2023/2024), MOD04 and MOD05 - Discussion on publication of UT's student theses - New double bachelor programme: Chem. Eng. Sci. + Tech. Nat.
March 28, 2024	- Continued discussion on MOD5's models: list of actions taken. - General OER advice discussion - Q1/Q2 reports 2023/2024
May 16, 2024	- Confirm recommendation letter to general OER 2024-2025 regarding the use of laptops and notebooks for students. - Programme specific OER discussion. An issue is raised regarding the low number of practicals that Applied Math students need to take to join the Applied Physics master. A recommendation letter will be sent on this regard.
June 13, 2024	- OKC documents: <ul style="list-style-type: none"> <li>○ Panel meeting MOD2</li> <li>○ Survey Adv. Quantum Mech.</li> <li>○ Survey Phys. Bubbles</li> <li>○ MOD6 Golven. Interf. en Waarschijn</li> <li>○ Turbulence</li> </ul> - Discussion meeting schedule 2024/2025
