Course name	Course Code	EC's
-------------	-------------	------

PT-I		
Chemical Equilibria and phase diagrams for PT-course	201900162	5
Catalysis & Reaction Kinetics for PT-course	201900235	4,5
Fluid Dynamics for PT-course	201900236	3
Heat and Mass Transfer for PT-course	201900237	4,5
Industrial Separation Technology for PT-course	201900238	4
Introduction Chemical Reaction Engineering for PT-course	201900239	4
Total PT-I		25

PT-II		
Advanced Chemical Reaction Engineering	201600151	5
Advanced Catalysis	201600152	5
Advanced Molecular Separations	201300049	5
Process Dynamics & Control	201800324	2,5
Electives		7,5
Total PT-II		25

PT-III		
Thermodynamics & Flowsheeting	193735010	5
Individual Assignment	201600420	15
Electives		10
Total PT-III		30

Total PT entirely		80
Final Assignment (as regular student)		40
Total		120
