

Decision Central Polling Committee

The Central Polling Committee of the University of Twente has on November 25th, 2020 established that the electoral register for staff members, with a reference date of 16 April 2020, meets the requirements set out in the electoral regulations for the University of Twente University Council.

The electoral registers have also been established as such. It is possible to view the (digital) electoral register. To do so, please send an e-mail to the central polling station:
