Dear members of the University Council,

In the FC-meeting of 13-04-2011 the Route 14+ plan and your propositions on this was on the agenda.

The FC draws the conclusion that formally this plan doesn't effect faculty ITC now.

Moreover there is, unfortunately, no English version of the plan available which is necessary for our student members.

As a conclusion of this the FC ITC will not react on the plan and the propositions now.

May be there comes a moment later on to react on an (English) version of the plan.

With kind regards,
