

## Evaluation report: Biomechanics – 2010/2011

The evaluation committee has evaluated the course Biomechanics by sending an online questionnaire to 79 students. 7 students filled in the questionnaire, which gives a response of 9%.

***The overall appreciation of the course Biomechanics is a 7.8, which is above the required 7.0 for a master course. All the other marks of this questionnaire are marked between 7.0 and 8.0 except for the question “Course Interesting” (6.6) and the organisation of the lectures (6.7)***

These are the main conclusions of the evaluation. The interpretation is based on the remarks of the respondents. For an overview of the results, see the graph at the end of this report.

### **Recommendations by the committee:**

The quality of the course can be improved. Based on the results of the questionnaire, some recommendations for improvement are provided. The most important recommendations are:

- Take a look at the 2 main subjects of this course and try to make the course more interesting.
- Try to improve the organization of the lectures.

## Overview:

- Most marks are given on a scale from 1-5 and converted to a scale from 2-10 by multiplying with a factor 2. For master courses, a mark of 7.0 or higher is sufficient.
- The height of the bars in the graph represents the mark. The thin line at the top of the bars gives the standard deviation.
