

## Evaluation report: Analysis C – 2012/2013

The evaluation committee has evaluated the course Analysis C by sending an online questionnaire to 78 students. 22 students filled in the questionnaire, which gives a response of 28%.

***The overall appreciation for this course is marked with a 7.5, which is exactly the same as the last mark, from the evaluation in 2009/2010. All aspects of the course are marked with a 7.5 or higher. This is a good course, with an enthusiastic teacher.***

These are the main conclusions of the evaluation. The interpretation is based on the remarks of the respondents. For an overview of the results, see the graph at the end of this report.

### Recommendations by the committee:

The quality of the course is good, but can be improved. Based on the results of the questionnaire, some recommendations for improvement are provided:

- The lowest given mark is a 7.5 for “Exam well related to major subjects”. Some students remarked that the first question was not expected. A little more attention can be paid to make the exam.

### Overview:

- Most marks are given on a scale from 1-5 and converted to a scale from 2-10 by multiplying with a factor 2. For master courses, a mark of 7.0 or higher is sufficient.
- The height of the bars in the graph represents the mark. The thin line at the top of the bars gives the standard deviation.
